ORDER GRANTING SANCTIONS

13 On April 20, 2015, this court denied Defendants' Motion for Protective Order. (Doc. # 46.)
14 The court also found the Defendants/Counterclaimants' motion (Doc. # 35) to be of "little merit" and
15 further determined sanctions in the form of attorney fees and costs incurred in opposing the motion
16 were appropriate. Plaintiff's counsel was directed to file a statement itemizing Plaintiff's fees and
17 costs incurred in opposing Defendants' motion. (Doc. # 46 at 2.)

18 Plaintiff's counsel thereafter filed a memorandum of fees and costs. (Doc. # 47.) No response
19 was filed by Defendants/Counterclaimants, as was authorized by this court's Order. (Doc. # 46 at 2.)

20 Good cause appearing, this court awards Plaintiff its attorneys fees and costs in the total amount
21 of \$1,925.00, to be paid by Defendants/Counterclaimants within **fourteen (14) days** of this order.

22 **IT IS SO ORDERED.**

23 DATED: May 19, 2015.
